February 25, 2010 - Fiscally responsible healthcare is an integral part of Vetcision's practice philosophy. "Not too much, not too little, just the right amount of medicine and surgery with an over-abundance of compassion." The quality and sophistication of veterinary specialty medicine and surgery available to our pets is expanding exponentially. Unfortunately, the cost of this care is also rapidly increasing in these challenging financial times.

Vetcision is offering a price match guarantee on specialty services offered at any New England veterinary specialty hospital. Bring a valid estimate for specialty service to Vetcision and we will match that price AND give you a 5% discount. Please see our website for further details.
